Bouker,

I stopped by on Friday but you weren't at your desk and then I remembered that you work from home on Fridays. I saw that you are in a meeting now so please let me know when you can stop by to discuss and I will send you an invite.

Priscilla

Subject: Formal Complaint

Priscilla,

I would like to log a formal complaint per the Guidepoint Employee Handbook – “Non-Discrimination and Harassment Policy” against the Guidepoint Consultant Rutwik Ghodadra for creating a threatening and hostile work environment.

I am compelled to elevate the matter to a formal notification to HR because members of my team, both verbally and via written communicate, are complaining of threatening language and actions, creating a hostile work environment. Additionally, his actions have created internal hostilities, questions and concerns within the team and within Guidepoint as a whole.

Specific complaints include:

- A. Inappropriate and aggressive language

- B. Threatening language
- C. Shouting in public and private setting
- D. Contacting employees on personal cell phone and via personal email account

I've informed my direct reports that I've filed a formal complaint so they are aware I am advocating on their behalf for a positive work environment.
